

5

WAYS TO MAKE A DIFFERENCE AT THE KARENNI SOCIAL DEVELOPMENT CENTER

\$5

A FULL DAY OF MEALS FOR ONE STUDENT

For the cost of a cup of coffee, you can provide 3 whole nutritious meals for one of our students. Karenni refugees live on a diet of rice, vegetables, fish, chicken, and pork (and of course a lot of chillies)!

\$10

1 WEEK STUDENT BOARDING COST

For just \$10, you can provide comfortable room and board for one of our students. This includes a bed, blankets, and a pillow.

\$25

MONTHLY ELECTRICITY AND INTERNET

Wifi and electricity are crucial at the KSDC as the refugee students do not have access to the internet inside the refugee camp.

\$50

1 MONTH REFUGEE STUDENT TUITION

For \$50 you can sponsor a refugee student for one month! This includes a student stipend, school supplies, 3 meals a day, and hygiene products.

\$100

1 MONTH REFUGEE TEACHER SALARY

The SDC employs highly skilled Karenni refugee teachers, many of them alumni from the Center. Subjects include Human Rights, Environment, Gender, Rule of Law, Computer Skills, and English.
